In the years to come
Will you think about these moments that we shared

In the years to come
Are you gonna think it over
And how we lived each day with no regrets

Nothing lasts forever though we want it to
The road ahead holds different dreams for me and
you

Sometimes goodbye, though it hurts in your heart,
Is the only way for destiny
Sometimes goodbye, though it hurts,
Is the only way now for you and me
Though it's the hardest thing to say
I'll miss your love in every way
So say goodbye
But don't you cry
Cos true love never dies

In a year from now
Maybe there'll be things we'll wish we'd never said

In a year from now
Maybe we'll see each other
Standing on the same street corner though it rains

Each and every end is always written in the stars
If only I could stop the world
I'd make this last

Sometimes goodbye, so it hurts in your heart,
Is the only way for destiny
Sometimes goodbye, so it hurts,
Is the only way now for you and me
Though it's the hardest thing to say
I'll miss your love in every way
So say goodbye (so say goodbye)
But don't you cry
Cos true love never dies

And when you need my arms to run into
I'll come for you
Nothing will ever change the way I feel

Sometimes goodbye, so it hurts in your heart,
Is the only way for destiny
Sometimes goodbye, so it hurts,
Is the only way now for you and me
Though it's the hardest thing to say
I'll miss your love in every day
So say goodbye
But don't you cry
Because a true love never dies
