Stacey:

You give me that special feeling boy
I've been awake all night
And there's a beat inside my heart again
It's working over time

Daisy:

No ones moved me in this way before it's all so brand
new
You got me so I don't know where I am
Or what I'm gonna do

Frankie:

And I'm ready any time
Automatic high
I've got one thing on my mind
Automatic high

Rochelle:

When I hear you calling out to me
It makes me come alive

Stacey:

And all the fears now seem to fade away
I've kissed the past goodbye

Frankie:

And I'm ready any time
Automatic high
I've got on thing on my mind
Automatic high

Stacey:

Every step every breath every beat
Of my heart comin on like a new sensation

Daisy:

It's just so easy

All:

It's automatic automatic

Stacey:

Automatic

All girls:

High high

High high

Stacey:
Every step every breath every beat
Of my heart comin on like a new sensation
Daisy:
It's just so easy
All:
It's automatic automatic
Stacey:
Automatic
All girls:
High high
High high
