I can't sleep  
I can't eat  
Since I met you  
I can't speak  
I get weak  
When I'm with you  
I don't show  
But I know  
You're such a beautiful thing  
Yeah

I can't talk  
I can't walk  
But I'm flying  
I get lost in my thoughts  
When your smiling  
Cause I feel  
And I see  
You're such a beautiful thing  
Yeah

I can't get my words together  
I can't put this in a letter  
Cause you are  
You are  
You're such a beautiful thing yeah

Chorus:  
You're such a, you're such a  
Such a beautiful thing  
Such a, Such a  
Such a beautiful thing  
You're such a, You're such a  
You're such a beautiful thing

All it took was a look  
And I melted  
Kinda shook  
Kinda Hooked  
How I felt it  
I'll be fine, when your mine  
You're such a beautiful thing

Yeah

And if it takes forever  
It's still better late than never  
Cause you are, you are  
You're such a beautiful thing

Chorus:

You're such a, you're such a  
Such a beautiful thing  
Such a, Such a  
Such a beautiful thing  
You're such a, You're such a  
You're such a beautiful thing

Oh

I'm head over heels for you  
You better believe it  
And oh Wherever you go, I want you to know  
Know that my feelings are true, baby baby

Your such a, such a  
Your such a, such a  
Oooo o o o o o, yeah yeah  
Your such a, such a  
Such a beautiful thing yeah  
A beautiful thing  
Such a beautiful thing  
Such a beautiful thing yeah  
Such a beautiful thing  
You're such a beautiful thing  
You're such a beautiful thing
