I've been waiting
Such a long time
Just trying to get through
And it's taking
All of my strength
2 keep me here away from u

It doesn't matter just how long it takes
Nothing changes when we're apart
It's just a little bit longer we've come this far

1 step caloser 2 heaven baby
Means 1 step closer 2 u
There'll b no more living without u, baby
I'm counting each minute till I'm back 2 u
1 step closer 2 heaven, baby
Hold on, hold on, hold on to my lovin'

I've been saving
Every little bit of my luv 4 u
I've been dreaming
Just 2 get by
So exciting, Fantasizing

It doesn't matter just how long it takes
Just 2 know we'll be back together
And this time it's 4eva

1 step closer 2 heaven, baby
Means 1 step closer 2 u
There'll b no more living without u, baby
I'm counting each minute till I'm back to you
1 step closer 2 heaven, baby
Hold on, hold on, hold on to my lovin'

It doesn't matter just how long it takes
Nothing changes when we're apart
It's just a little bit longer we've come this far

1 step closer 2 haeven, baby
Means 1 step closer 2 u
There'll b no more living without u, baby

I'm counting each minute till I'm back 2 u

1 step closer 2 heaven, baby

Means 1 step closer 2 u

There'll b no more living without u, baby

I'm counting each minute til I'm back 2 u

1 step closer heaven, baby

Hold on, hold on, hold on 2 my lovin'
