Callin' out around the world
Are you ready for a brand new beat?
Summer's here and the time is right
For dancin' in the streets
Dancin' in Chicago
Down in New Orleans
In New York City

All we need is music, sweet music
There'll be music everywhere
There'll be swingin', swayin' and records playin'
And dancin' in the streets

Oh, it doesn't matter what you wear
Just as long as you are there
So come on, every guy grab a girl
Everywhere around the world
There'll be dancin'
Dancin' in the streets

This is an invitation
Across the nation
A chance for the folks to meet
There'll be laughin' and singin' and music swingin'
And dancin' in the streets

Oh, it doesn't matter what you wear
Just as long as you are there
So come on, every guy grab a girl
Everywhere around the world
There'll be dancin'
Dancin' in the streets

Dancin' in the streets
Dancin' in the streets
