Your Sunshine

I, I wanna know

Why can't you see what you're doing's

Gonna come back and bit you in the butt

I've had enough

How can you do what you do?

Do you think you can buy me?

I, I wanna see

If we can turn this around

And stick together like glue

You and me

Cause what happens now could last forever

We can't stand by and watch you steal our sunshine,
Sunshine

I just won't let you take it all away

Sunshine

So open up your eyes and see

That money doesn't grow on trees

Don't let them take your sunshine away

Your Sunshine

Stop! and listen up

Don't say a word cause I'm bored of it

We've gotta try and work it out

Feet on the ground, just walk away from it

Don't be so crazy

Now I wanna see

If we can turn this around

And stick together like glue

You and me

Cause what happens now could last forever

I know, what's really going on

There's no turning back,

Cause once it's gone it's gone

We can't stand by and watch you steal our sunshine
Sunshine

I just won't let you take it all away

Sunshine

We can't stand by and watch you steal our sunshine

Sunshine

I just won't let you take it all away

Sunshine

So open up your eyes and see

That money doesn't grow on trees

Don't let them take your sunshine away

Sunshine

Don't let them take your sunshine away

Your Sunshine
