Stacey:

The city's in heat wave

Praying for the sunshade

Hoping that the evening will chill down the streets

Frankie:

And i'm a little hot too

Coz i can only think of you

Hoping that tonight you'll find out what i like

All:

Sundown, Friday twilight in the big town

Party people getting ready now

Somewhere baby, i know you're waiting

The city's vibrating

Don't stop movin' to the funky, funky beat

Don't stop movin to the S Club beat

Stacey:

Don't know if you see me

Don't know if you are dreaming

Hoping for someone who can show you, you are

Frankie:

Tonight i'm gonna find you

Flying on the breeze and blind you

Take you for this club land

And send us to the stars

All:

Sundown, friday twilight in the big town

Party people getting ready now

Somewhere baby, i know you're waiting

The city's vibrating

Stacey: SUndown..

All:

Sundown, air gets cooler, it makes my heart pounds

Stacey: Yeah..

All:

Loud and fast i'm getting ready now

Somewhere baby, i know you're waiting

The city's vibrating

Don't stop movin to the funky, funky beat

Don't stop movin to the s club beat

Stacey:

Time, no need to rush we can make it right

Coz we are meant to be you and i

It's in the air we breathe all around, all around
Say you're longing too coz
I will look for you at
Sundown, Sundown, Friday...
All:
Sundown..
Stacey:
Get ready now..
All:
Friday twilight in the big town(Ooooohh)
Party people getting ready now
SOMewhere baby, (yeah)
I know you're waiting
The city's vibrating (oo yeah)
Sundown, air gets cooler, it makes my heart pounds,
(baby)
Loud and fast, (baby) i'm getting ready now
Somewhere baby, i know you're waiting
The city's vibrating
