Calvin:

I can offer you a lifeline
I will catch you when you fall
I can't guarantee the future
I can't promise much at all
when I'm tryin hard to sleep
you lift me up

Calvin, Az, and Stacey:

If I confess what I feel
would you stay, would you hold me?
cos I get a little scared
to reveal all the secrets inside me
As long as skies are blue

Calvin:

I'll be drawn to you

Calvin:

I can't stop the world from turnin
I can't say what's right for you
But I can offer you some good times
Maybe we can see this through
When I'm tryin hard to sleep

You make me smile

Calvin, Az, and Stacey:

If I confess what I feel

would you stay, would you hold me?

cos I get a little scared

to reveal all the secrets inside me

As long as skies are blue

Stacey:

As long as skies are blue

Calvin:

I'll be drawn to you

Calvin and Stacey:

Don't want no compromise

don't want no games

I just want you to stay with me baby

I just want you to stay

Calvin, Az, and Stacey:

If I confess what I feel

would you stay, would you hold me?

cos I get a little scared

to reveal all the secrets inside me

As long as skies are blue

(stacey belts out some wicked parts here)

Calvin:

I'll be drawn to you

As long as skies are blue

I'll be drawn to you
