Calvin:

I can offer you a lifeline
I will catch you when you fall
I can't guarantee the future
I can't promise much at all
When I'm tryin hard to sleep
You lift me up

Calv, Az, and Stacey:

If I confess what I feel
Would you stay, would you hold me?
Cos I get a little scared
To reveal all the secrets inside me
As long as skies are blue

Calv:

I'll be drawn to you

Calv:

I can't stop the world from turnin
I can't say what's right for you
But I can offer you some good times
Maybe we can see this through
When I'm tryin hard to sleep
You make me smile

Calv, Az, and Stace:

If I confess what I feel
Would you stay, would you hold me?
Cos I get a little scared
To reveal all the secrets inside me
As long as skies are blue

Stace:

As long as skies are blue

Calv:

I'll be drawn to you

Calv and Stace:

Don't want no compromise
Don't want no games

I just want you to stay with me baby
I just want you to stay

Calv, Az, and Stace:
If I confess what I feel
Would you stay, would you hold me?
Cos I get a little scared
To reveal all the secrets inside me
As long as skies are blue
(Stace belts out some wicked parts here)

Calv:
I'll be drawn to you
As long as skies are blue
I'll be drawn to you
