Both:

I've been dreaming about a place,
Where I can watch you smile as you let sunlight hit your
face
Sing with your happy
Cry if you're blue
If you're hungry
Love if you're true
But baby there's heartache, roaming this world
Something has gotten hold of us and baby we all hurt
We all try to fight it and sometimes we win
As long as you're dreaming and not giving in

Chorus

Dreaming, yeah, yeah, yeah, yeah
All around the world now, all around the world now
Dreaming, yeah, yeah, yeah, yeah
All around the world now, all around the world now

Both:

We all have been wondering, if there's a plan,
Cause sometimes I find this cruelty to cruel to
understand
Honey we're dreaming, and that's not a crime
The rules will be healed with the passing of time
Tell me a story, I'll sing you a song
And let's make it be a better place where people can
belong
Baby there's nothing that I wouldn't do
To bring them to life and to make them come true

Chorus

Were dreaming, yeah, yeah, yeah, yeah
All around the world now, all around the world now
Dreaming, yeah, yeah, yeah, yeah
All around the world now, all around the world now

Music and dancing

(All around the world now)

Both:

I have been dreaming about a place
Where I can watch you smile as you let sunlight hit your
face
We're nothing compared to, people apart
A place where it's cruel to, open your heart

Chorus

Dreaming, yeah, yeah, yeah, yeah
All around the world now, all around the world now
Dreaming, yeah, yeah, yeah, yeah
All around the world now, all around the world now
Dreaming, yeah, yeah, yeah, yeah
All around the world now, all around the world now
