Move on up do your thing
Move on up do your thing

Tonight is saturday night
You wanna freak it, but don't know
How to funk it
But there's a new thing around
Cause the disco opens up in town

So baby, move on up
Get up on the dancefloor
Do your thing, get down tonight
Baby don't stop cause I can make you fly so high

Chorus
Can you feel the beat
It's coming your way
Gonna disco to the top
So don't go away
Can you feel the heat
All over town
When we disco to the top now

I caught a glimpse of your eye
And when were dancin'
We get into the right mood
So lets get funky tonight
Cause the djs pumping up the groove

So baby move on up
Get up on the dance floor
Do your thing
Get down tonight
Baby don't stop cause I can make you fly so high.

Chorusx2

We can't stop this feeling
Any longer now
Feel the beat
And get into the grooe babe
We can dance

The musics getting stronger now
Let me take you high

Move on up do your thing
Move on up do your thing

Chorus x3
