Here we go  
Come on get the party started  
Come on get the party started  
Get the party started  
S Club Juniors

Give it up, get in on, sing along  
Come on, I say here we go

Frankie-All friends together  
Havin' a party under one roof

Jay-You can bring your best friend  
You can do what you wanna do

[Bridge]  
And we'll all have good times  
We can dance through the night  
We can sing till it's light  
I say here we go

[Chorus]  
Give it up, get in on, sing along  
Come on, I say here we go  
Stand in line, clap in time, everyone catch the vibe  
Come on, I say here we go  
Here we go

Here we go, here we go, here we go

Daisy-And now the music's getting louder  
Everyone's jumping to the beat

Jay-And when the rhythm hits you  
You just can't help but move your feet

[Bridge]

[Chorus]

Here we go, here we go, here we go  
S Club Juniors tonight

Here we go, here we go, here we go  
I say here we go

[Chorus x2]

All-Come and join the party  
Time to catch the good vibe  
Everybody's dancing now  
I say here we go  
Come and join the party  
Time to catch the good vibe  
I say here we go
