(It's about life it's about fun)

V1

I hate you I love you

I just can't remember to forget you

Who are you? Who needs you?

You make me feel alive, I die, So high

I'm crawling on the ground, I have found I can fly

One of these days it all comes together

One of those days that goes on forever

Think myself crazy? Maybe, Whatever

What's it all about?

Chorus: It's about life, It's about fun

It's over before it has begun

It's about you, It's about me

It's about everything between, and I say

I'm saying goodbye to you, I say hi to you with no clue

It's about time that I, Make up my mind

V2

It's simple, confusing

The truth is I'm winning but I'm losing,

And pulling, And pushing, Won't do me any good

It could, it should

I'm honest to myself is the truth is I lied

One of these days it all comes together

One of those days that goes on forever

Think myself crazy? Maybe, Whatever

What's it all about?

Chorus

Time is creeping behind me

Surrounding around me

Fading the words so desperately

Now give me a reason that I can believe in

Time is something you can't rewind

One of these days it all comes together

One of those days that goes on forever
Think myself crazy? Maybe, Whatever
What's it all about?

Chorus
(Hold mind)

It's about you it's about me
And I say I'm saying goodbye to you I say hi
To you with no clue
It's about time that I... Make up my mind
