(Frankie)

Looking out a dirty old window
Down below the cars in the city go rushing by
I sit here alone and I wonder why

(Stacey)

Friday night and everyone's moving
I can feel the heat but it's shooting go heading down
I search for the beat in this dirty town

(Rochelle)

Down town the young ones are going
Down town the young ones are growing

We're the kids in america
We're the kids in ameriva
Everybody live for the music-go-round

(Daisy)

Bright lights the music gets faster
Look boy don't check on your watch not another
glance

I'm not leaving now honey not a chance

(Hannah)

Hot shot give me no problems
Much later baby you'll be saying never mind
You know life is cruel, life is never kind

(Aaron)

Kind hearts don't make a new story
Kind hearts don't grab any glory

We're the kids in America
We're the kids in america
Everybody live for the musich-go- round

La la la la la

La la la la la

HEY!

La la la la la

La la la la la

(Calvin)

Come clooser honey that's better
Got to get a brand new experience geeling right
Oh don't try to stop baby hold me tight

(Jay)

Outside a new day is dawning
Outside suburbs' sprawling everywhere
I don't want to go baby out of here
(Frankie, Aaron and Calvin)
New York to East California
There's a new wave coming I want ya!

We're the kids in America
We're the kids in America
Everybody live for the music-go-round
