Never thought I'd see the day
You play me
But you're the kinda guy
Who lies to get along

So caught up in your cheatin' world
With diamond studded rings and pearls
Now you can't deny it
And I won't be the fool no more

Don't you tell me
I'm the only one
Cos' something tells me
There's another one
Who calls you baby
Not the kinda girl to take so lightly

I don't wanna be a fool no more (no more)
Never gonna be the fool no more

All the time you said to me
I'll be there (I'll be there)
Cos' your the kinda boy
Who's time is nearly done

So caught up in your cheatin' world
With diamond studded rings and pearls
Now you can't deny it
And I won't be the fool no more

Don't you tell me
I'm the only one
Cos' something tells me
There's another one
Who calls you baby
Not the kinda girl to take so lightly

I don't wanna be a fool no more (no more)
Never gonna be a fool no more

I don't wanna be a fool no more

Never gonna be a fool no more

Don't you tell me
I'm the only one
Cos' something tells me
There's another one
Who calls you baby
Not the kinda girl to take so lightly

(I don't wanna be)
Don't you tell me (I'm the only one)
Cos' something tells me (there's another one)
Who calls you baby (I'm not the kinda girl)
To take so lightly
(Never gonna be a fool no more)

Don't you tell me (never gonna be a fool)
There's another one who calls you baby

I don't wanna
