It Seems to me  
I cannot breathe  
When your around  
You leave me there  
In the cold  
I'm lost and found

I've been looking for a new direction  
There's something you know I gotta say  
I've been looking for a new connection  
Need someone whos gonna make me stay

You shouldn't have lied  
You shouldn't have played  
Not the kinda a girl to look the other way  
You shouldn't have cried  
You shouldn't have faked

Just gotta tell you straight before I walk away

It's too late  
(Aah ah)  
(I've been looking for a new direction)

I needed to re-discover my identity  
I'm doing fine  
Baby don't feel sad for me

I've been looking for a new fixation  
Someone who can stimulate my mind  
I've been looking for a new sensation  
Another love you know I'm gonna find

You shouldn't have lied  
You shouldn't have played  
Not the kind of girl to look the other way  
You shouldn't have cried  
You shouldn't have faked  
Just gotta tell you straight before I walk away

It's too late

(Aah ah)

(I've been looking for a new direction)  
I've been looking for a new direction  
Not the kinda girl to look the other way  
I've been looking for a new direction  
Just gotta tell you straight before I walk away  
(Walk away)

It's too late...  
Ah ah ah  
It's too late

(Ahh ahh)

(I've been looking for a new direction)

You shouldn't have lied  
You shouldn't have played  
Not the kinda girl to look the other way  
You shouldn't have cried  
You shouldn't have faked  
Just gotta tell you straight before I walk away

It's too late

Ahhhh ahhh
