I've been waiting such a long time  
Just tryin' to get through  
And it's takin' all of my strength  
To keep me here away from you

It doesn't matter just how long it takes  
Nothing changes when we're apart  
It's just a little bit longer,  
We've come this far

Chorus:

One step closer to heaven baby  
Means one step closer to you  
They'll be no more living without you baby  
I'm counting each minute  
'Till I'm back to you  
One step closer to heaven baby  
Hold on, hold on  
Hold on to my lovin'

I've been saving every little bit of my love for you  
I've been dreaming just to get by  
It so exciting, fantasizing

It doesn't matter just how long it takes  
Just to know we'll be back together  
But this time it's forever

Chorus:

One step closer to heaven baby  
Means one step closer to you  
They'll be no more living without you baby  
I'm counting each minute  
'Till I'm back to you  
One step closer to heaven baby  
Hold on, hold on  
Hold on to my lovin'

It doesn't matter just how long it takes  
Nothing changes when we're apart  
It's just a little bit longer,  
We've come this far

Chorus:

One step closer to heaven baby  
Means one step closer to you  
They'll be no more living without you baby  
I'm counting each minute  
'Till I'm back to you  
One step closer to heaven baby  
Hold on, hold on  
Hold on to my lovin'  
It doesn't matter just how long it takes  
Nothing changes when we're apart  
It's just a little bit longer,  
We've come this far

One step closer to heaven baby  
Means one step closer to you  
They'll be no more living without you baby  
I'm counting each minute  
'Till I'm back to you

One step closer to heaven baby  
Means one step closer to you  
They'll be no more living without you baby  
I'm counting each minute  
'Till I'm back to you

One step closer to heaven baby  
Hold on, hold on  
Hold on to my lovin'
