Reach:

Frankie- When the world
leaves you feeling blue
you can count on me
I will be there for you

Jay- When it seems all your hopes
and dreams are a million
miles away I will reassure you

Bridge-We got to all stick together
Good friends are there for each other
Never forget that
I Got You
And You Got Me

CHORUS-
So Reach For The Stars
Climb every mountain higher
Reach for the stars
follow your heart's desire
Reach for the stars
and when that rainbow's shining over you
that when your dreams will all come true

Calvin- There's a place waiting just for you
(Daisy-Just for you)
Is a special place where your dreams all come true

Aaron-Fly away swim, the ocean sea
Drive that open road,
leave the past behind you

Bridge-Don't stop gotta keep moving
Your hopes have gotta keep building
Never ever forget that
I've got you and you've got me, so

Chorus-Reach for the stars
Climb every mountain higher
Reach for the stars

Follow your hearts desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true

Paul-Don't believe in all that you've been told
The sky's the limit you can reach your goal
No-one knows just what the future holds
There ain't nothing you can't be
There's a whole world at your feet
I said reach

Jo-Climb every mountain (reach)
Reach for the moon (reach)
Follow that rainbow
And your dreams will all come true

Chorus-Reach for the stars
Climb every mountain higher
Reach for the stars
Follow your hearts desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true
Reach for the stars
Climb every mountain higher
Reach for the stars
Follow your hearts desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true
Reach for the stars
Climb every mountain higher {fade to finish}
