Oh yeah
I never thought I'd see u again
But my world just turned upside down
So I keep singing

Rock on rock rock on yeah yeah yeah
Rock rock on the floor
Baby will u rock my world tonite

I saw you standing there.
Where all the girls cud stare
But u didn't mind one bit
And neither did I

Rock on rock rock on yeah yeah yeah
Rock rock on the floor
Baby will u rock my world tonite

There's broken glass on the floor
Can I ask 4 more

All I can sing is
Rock
Rock on
Rock rock on

Rock my world tonite
