"Sing For Me"

You look at me and shiver
I give a slight quiver
You stare into my eyes
Get ready for the surprise

Look around, dont make a sound (oh)
Beats are boomin all around
Pick up the mic and sing for me
Cos Im gettin bored of this nothin you see

Sing for the moment while were still young
Sing like ya love it loving your tounge
Dance like no-ones watching
Alone on your own
And laugh like your cothing
ON your bed (oh) at home

You touch my skin
You melt within
I laugh at you
Go and get a clue!

Look around, dont make a sound (oh)
Beats are boomin all around
Pick up the mic and sing for me
Cos Im gettin bored of this nothin you see

Sing for the moment while were still young
Sing like ya love it loving your tounge
Dance like no-ones watching
Alone on your own
And laugh like your cothing
ON your bed (oh) at home

Sing for the moment while were still young
Sing like ya love it loving your tounge
Dance like no-ones watching
Alone on your own
And laugh like your cothing
ON your bed (oh) at home

So you thought you would get away
Too shy to cope today
Better toughen up cos things get hard
Better listen to me or get the red card

Sing for the moment while were still young
Sing like ya love it loving your tounge
Dance like no-ones watching
Alone on your own
And laugh like your cothing
ON your bed (oh) at home
