Baby when the life goooooeesss
saaaaaaaaakkkkkkeeeeeeee

What are we gonna do
You and Me together as one
Baby I don't know what maybe life will show

chorus
Will we be together as one
Baby What will we become
You and me forever and ever
Maybe we won't
You're the one and only

Why don't you hold me close
Say that i'm the one and only
the and only
Baby don't go away
Baby please just stay

Chorus x2

Everything i look at
I think of you
Baby do you feel the same
All i need is a bit more love

Chorus

You are the one and only
The one and only
one and only
Yeah
