Frankie:

I love the way you are
Crusin' around like a movie star
You're playin' my favorite song
I hear your voice when you hum along

Rochelle:

And I can feel
That my love for you is real

Stacey:

It's no surprise I wanna dance with you
You're a dream come true...

All:

Turn the lights on
You got that certain somethin'
Play the music all night long
Turn the lights on
I've gotta tell you one thing
You're the one I'm dreamin' of

Calvin:

The way you move your feet
Shakin' and dance to the groovy beat
I really got to say
What you give takes my breath away

Aaron:

In your eyes
I see an angel in disguise

Stacey:

It's no surprise I wanna dance with you
You're a dream come true...

All:

Turn the lights on
You got that certain somethin'
Play the music all night long
Turn the lights on
I've gotta tell you one thing

You're the one I'm dreamin' of
