You know you gotta be tough,
So pull yourself together
You gotta make up your mind
There isn't anything that you can't do

Don't let go, it's like a rollercoaster ride
Take a chance, we got it going on inside
No regrets
This ain't a dress rehearsal
Welcome to, Welcome to Avalon Heights

I'll take you to a place that'll set you free
Down in Avalon
I know it'll blow your mind away
You gotta believe in yourself now
Down at Avalon
So don't let your moment slip away

You gotta want it enough
Cause if you don't the party's over,
But if you got what it takes
We're gonna make you into superstars

Don't let go, it's like a rollercoaster ride
Take a chance, we got it going on inside
No regrets
This ain't a dress rehearsal
Welcome to, Welcome to Avalon Heights

I'll take you to a place that'll set you free
Down in Avalon
I know it'll blow your mind away
You gotta believe in yourself now
Down at Avalon
So don't let your moment slip away

So if you want it, we got it, show us what to do
Cause we can do it, we'll prove it, demonstrate to you
That we're not playin', we're stayin'
Cause nothing's gonna stop us till we're through
Nothing's gonna stop us

Don't let go, it's like a rollercoaster ride
Take a chance, we got it going on inside
So regret this ain't a dress rehearsal
Welcome to, Welcome to Avalon Heights

I'll take you to a place that'll set you free
Down in Avalon
I know it'll blow your mind away
You gotta believe in yourself now
Down at Avalon
So don't let your moment slip away
