All: Wherever You Heart Beats ...
Cause my love is strong, wherever your heart may beat

Calvin: We both know, it's time to let go now
We hold on, just as hard as we can
Don't wonder, if you feel the way that you feel
Because I swear that you make me everything that I am

Hannah: So if it feels cold tonight
Without me so warm in your arms
Wishing all the stars burn bright

All: Wherever You Heart Beats
I'll run with you
Under this magical sky
I'll share with you
Sleep and I'm there in your dreams
Just close your eyes, don't miss me
Cause my love is strong wherever your heart may beat

Jay: These weeks could, could almost be a lifetime
Aaron: And someday, I'll taste this kiss for good

Hannah: Though when I know where or when
But I know that you could be the one
If the stars keep shining on

All: Wherever You Heart Beats
I'll run with you
Under this magical sky
I'll share with you
Sleep and I'm there in your dreams
Just close your eyes, don't miss me
Cause my love is strong wherever your heart may beat

Rochelle: So if it feels cold tonight
Without me so warm in your arms
You should know the stars burn bright

All: Wherever You Heart Beats
I'll run with you
Under this magical sky (Oh yeaaaaah)

I'll share with you
Sleep and I'm there in your dreams
Just close your eyes, don't miss me
Cause my love is strong wherever your heart may beat

All: Wherever Your Heart Beats

I'll run with you
Under this magical sky
I'll share with you
Sleep and I'm there in your dreams
Just close your eyes, don't miss me
Cause my love is strong wherever your heart may be

(Repeat Chorus till fade)
