Boy it's Friday night
I'm looking for a place
To go that's right
Got one thing on my mind
I'm heading where the music
Flows let's ride...

And out on the street
You can feel the heat
A good things comin on
Just you & me gonna celebrate
A groove sensation

[Chorus]
Gonna take this Love to the Limit
So baby don't you stop
Let's move it all night long
Gonna dance to the rhythm
The feeling is so right

Tonight can't get enough

So turn the music up
Just let your body go
Let's roll tonight
Cos right here's where we belong
We're jamming in the key of life
So tight

And out on the floor
You can feel the beat
A good things coming on
Just you & me
Gonna celebrate
A groove Sensation

[Chorus x2]

Boy don't you know
You got the best of me
Aint never gonna let you go
& I can't wait gonna celebrate tonight...

[Chorus]
