Jenna, I know your heart is breaking, you know I'm not  
the one who's taking you down, I'm not taking you  
down.-

All confessions are forgiven, but Jenna yours are really  
bringing me down, yeah, they're bringing me down-

You had a life, you had a home. Now your temples  
falling, your guru's dead, you lost your soul

I cannot live, I cannot live with the ghost that haunts  
me, I cannot live, I cannot live with the pride I lost in  
me.

Jenna I know your life is changing, but I'm not the one  
who's kicking you around, I'm not kicking you down  
In time maybe I could forgive, but Jenna that's no  
consequence for you, Yeah, to tell the truth.-

You had a life, you had a home. Now the game is over,  
there's no time out, you can't make goal.

I cannot live, I cannot live with the ghost that haunts  
me, I cannot live, I cannot live with the pride I lost in  
me.

We had a life, We had a home. Now the door is locked,  
we lost the key, We can't unbolt!

I cannot live, I cannot live with the ghost that haunts  
me, I cannot live, I cannot live with the pride I lost in  
me.

-Yeah, I pulled the knife right out of my back, just to let  
you know I'm back on track

Whoa, Whoa,

-Having Molotov Cocktails in my bed, just trying to get  
this outta my head!

Whoah, Whoah.

-We lost the path, we lost the way, Tao-te ching- I can't  
translate!

Whoa, Whoa
