Na granice shumeli berezki,
Gde teper' prishlos' nam voevat',
Tam slujili-drujili dva tezki -
I oboih Maksimami zvat'.
Byl odin - pulemetchik tolkovyy.
(Poznakom'tes' s Maksimom moim!)
A drugoy - pulemet byl stankovyy
Po prozvaniyu toje "maksim".

Krepko svyazany drujboyu staroy,
Prinimali groznye boi
Nerazluchnoyu drujnoyu paroy
Oba tezki - Maksimy moi.
Ochen' tochno navodit navodchik,
A "maksim", slovno molniya b'et.
"Tak, tak, tak!" - govorit pulemetchik,
"Tak, tak, tak!" - govorit pulemet.

Ot oskolka germanskoy granaty
Ne sluchilos' uberech'sya l'm:
Pulemetchik byl ranen, rebyata,
Povrejden pulemet byl "maksim".
Dni lechen'ya pronosyatsya mimo,
I drujochku byl sdelan remont,
I opyat' oba tezki Maksimy
Vozvraschayutsya vmeste na front.

A na fronte - goryachiy I hlestkiy
Uraganny boy gudit opyat',
I opyat' slujat-drujat dva tezki,
I oboih Maksimami zvat'.
Snova tochno navodit navodchik,
S maksimal'noyu siloyu b'et.
"Tak, tak, tak!" - govorit pulemetchik,
"Tak, tak, tak!" - govorit pulemet!
