

S.F.A. "Journey"

Visit "[Journey](#)" on MotoLyrics.com

I've been beaten and battered and my wounds never
mend
I've been on this journey forever, I never want it to end
There's so much that I've seen, yet so much I don't
know
I can't stay in one place while I have this longing to go
The life of a wanderer is all I'll ever see
All I know is no place will be a home to me
Now I've still got to continue my journey
My time here is fading fast
Soon I go, never to return, for I am the past
There ain't no place for me -- I hate my life, I hate my
lie
