Your feeble mind  
It's an endless repetition

Hate! Love! Hate!

Ready to born input-output explosion  
Ready to burn input-output blow up

Love! Hate! Love!

Prevailing disease  
Mienai reality  
Sufficient comprehension  
Stop killing

Luck fuck suck  
What are you possessed with?

Hate! Love! Hate!

Prevailing disease  
Mienai reality  
Sufficient comprehension  
Stop killing

Prevailing disease  
Invisible reality  
Sufficient comprehension  
Stop killing  
Love! Hate! Love!  
Hate! Love! Hate!  
Love! Hate! Love!  
Stop killing!
