It's friday night the moon is full I'm looking for a  
sacrifice  
My leather coat with painted goat is armor for my quest  
Blood will run into my chalice fitting for unholy deeds  
The cross is turned, hells unbound  
Fire burns your churches down  
All praise Satan ... prince immortal  
All praise Satan ... blood and torment  
The wolves are singing now  
The howling beckoning  
Their most unholy song  
Invoke the sacrifice  
A heart heard beating loud  
Will beat it's very last  
A slit throat, life spills out  
I fill my chalice now ..... evil is in  
Sunday's here the time has come to put away the  
leather coat  
By ten o clock I'll be in bed dreaming of my evil deeds  
When day breaks the morning light  
Wakes me from my deepest dreams  
To be the slave who works all day sweeping up at  
Burger King  
All praise Satan ... prince immortal  
All praise Satan ... blood and torment  
Evil, hell, Satan, goat, cheese, pickles, onions on a  
sesame seed bun
