And one day your love came down to me,
And it turned around what i believe,
Now all that i know on Christmas Day,
Let love be love

Just open your heart to what maybe,
You'll get what you give,
Take that from me,
And somewhere i know a miracle longs to be,
Between you and me.

Let love be love,
Dare to let your heart be your guide,
My darling,
Let life be life,
No matter what you do you'll do alright,
In my eyes.

You belong in a place where dreams can come true,
And i know its waiting for you,
It could be right there by your side, oh oh oh,
On Chrstmas night.

The stars, gets you in your heart, no matter how far, no
matter who you are.

And one day it all seemed clear to me,
That you can go as far as your heart can see,
Even on the days when nothing seems to go your way,
You will hear me say.

Let love be love,
Dare to let your heart be your guide,
My darling,
Let life be life,
No matter what you do you'll do just right,
In my eyes.

You belong in a place where dreams can come true,
And i know its waiting for you,
It could be right there by your side, oh oh oh,

On Christmas night.

oh oh oh oh oh oh oh oh

On Christmas night.

Let love be love,
Dare to let your heart be your guide,
My darling,
Let life be life,
No matter what you do you'll do alright,
In my eyes.

Let love be love,
Dare to let your heart be your guide,
My darling,
Let life be life,
No matter what you do you'll do just right,
In my eyes.

You belong in a place where dreams can come true,
You should know what's waiting for you,
If you look right there by your side, oh oh oh,
On Christmas night.

On Christmas Night, On Christmas Night, On Christmas
Night,

Let Love be Love, Let Love be Love, Let Love be Love,
Let Love be Love
