Ruthless and vicious he'll stomp on your face  
Deadly, malicious, stay out of his space  
He'll rip your eyes out, don't took the wrong way  
And once you meet him, there's no time to pray  
He'll rip your heart out, make you eat your owns lips  
Then crack your elbows, and crush fragertips

**CHORUS:**

He'll make you wish that you didn't exist  
Cause sergeant „D" is coming and you're on his list  
Don't cut the line, cause he'll cut off your legs  
Don't take your time or you'll spend time with the dead  
Don't try to trick him, he'll fill you with lead  
Don't by for mercy, he'll piss on your head  
He'll kill your sister, then mail back the fits  
He'll beat you senseless, then break out the whips

**CHORUS - MOSH PART**

He'll put gas on you hids, then throw them a match  
He'll back the car over grandma, then dissect her cat  
With the Stormtroopers of Death he'll come to your town  
Their Uzi's rip through flesh, then it's time to chow down  
Their cause is justified, their reason is clear  
The world revenge is all that they hear

**CHORUS**
