Deep into the water
Deep into the dark
Deep into the places
Stories have to start
Peel open the layers
Go in for the kill
Bite into the onion
Taste it for the thrill

Got a fear of falling under
Underneath the dream
A fear of going too deep
Deep beneath the seams
A fear of falling under
Underneath the spell
A fear of opportunities
Secrets I won't tell

Reach into the top hat
Reach in all alone
Reach in for a rabbit
Come up with a stone
Searching for pieces

Pieces let me hide
Discarded moments
In the junkyard of my mind

Got a fear of falling under
Underneath the dream
A fear of going too deep
Deep beneath the seams
A fear of falling under
Underneath the spell
A fear of opportunities
Secrets I won't tell

What came first
Love, hurt?
Love, hurt?
Oh, what came first
Love, hurt?

Love, hurt?
Oh, what came first
Love, hurt?
Love, hurt?
Oh, what came first
Love, hurt?
Love, hurt?
Oh, what?
