We were young, we were chasing all our dreams,
The future seemed like it was perfect,
Love was something only we knew.
Times change, things rearrange,
Life gets in the way, wish we could start anew,
But maybe that's impossible cause,
If you leave me now, you'll leave me breathless.
Don't let go.

Well you may be through but I'm not through with you.
If you let go, you'll leave with all of our yesterdays.
You may be through, but I'm not through with you.

When we met it was said our souls had come to
reconnect.
It felt so perfect.
You couldn't bare to leave my side,
But now you're sleeping alone.
All the contents of my head, racing over words we said.
And some things aren't retractable, but..
If you leave me now, you'll leave me breathless.
My head held low.

Well you may be through, but I'm not through with you.
If you let go, you'll leave with all of our yesterdays.
You may be through, but I'm not through with you.
I'm not through with loving you.
We've got so much more to do.
There are beaches in the sun we have yet to leave our
footprints on.
You know I know I can try but I'll never find another you.
Darlin' come back to bed and find what we've been
losing.

Well you may be through but I'm not through with you.
If you go, you'll leave with all of our yesterdays.
You may be through but I'm not through withâ€¦

If you leave me now you'll leave me breathless.
Don't let go.
Well you maybe through but I'm not through with you.

If you go, you'll leave with all of our yesterdays.
You may be though but I'm not through with you.

I'm not through with youâ€¦
