Been spending so much time underground  
I guess my eyes adjusted  
To the lack of light  
I got  
Covered in darkness  
Covered in darkness

I have been waiting  
Always waiting for something new  
Happiness has always ended  
In the blink of an eye  
There was no one attending  
No one attending

It doesn't really matter where it all began  
All I know  
I got covered in darkness  
Covered in darkness  
Ever wonder why I never really truly connect  
Although my eyes are open  
I can hold your gaze  
But I am never connected  
Never connected

I am famous for my generosity  
They say I am the kindest  
But it is easier to  
Give than receive love  
Give than receive love

It doesn't really matter where it all began

All I know  
I was covered in darkness  
Covered in darkness

Turning pages over  
Run away to nowhere  
And it's hard to take control  
When your enemy's old and afraid of you  
You'll discover that the monster you were running from  
Is the monster in you

Better to hold on to love  
Better to hold on to love  
Change will come

It doesn't really matter where it all began  
All I know  
I was covered in darkness  
Covered in darkness

It doesn't really matter where it all began  
Cuz all I know  
I was lost  
I was lost  
No, no

It doesn't really matter where it all began no no  
All I know  
I was lost  
I feel lost  
Lost  
No...
