Doubts of our conviction  
Follow where we go.  
And when the world's compassion  
Ceases, still I know.

For your every touch  
I thank you so much.  
And for your every kiss I,  
I wish you love,  
I wish you heaven,  
I wish you heaven.

If I see eleven,  
You can say it's seven.  
Still I'd wish you heaven,  
I wish you love,  
I wish you heaven,  
I wish you heaven.

I wish you heaven,  
I wish you heaven.

Still I'd wish you heaven,  
I wish you love,  
I wish you heaven,  
I wish you heaven,  
I wish you heaven.

Doubts of our conviction  
Follow where we go.  
And when the world's compassion  
Ceases, still I know.

For your every touch  
I thank you so much.  
And for your every kiss I,  
I wish you love,  
I wish you heaven,  
I wish you heaven.

If I see eleven,

You can say it's seven.  
Still I'd wish you heaven,  
I wish you love,  
I wish you heaven,  
I wish you heaven.

I wish you heaven,  
I wish you heaven.

Still I'd wish you heaven,  
I wish you love,  
I wish you heaven,  
I wish you heaven,  
I wish you heaven.
