Ooh, love...
I get so lost, sometimes
Days pass, and this emptiness fills my heart
When I want to run away
I drive off in my car
But whichever way I go
I come back to the place you are

And all my instincts, they return
And this grand facade, so soon will burn
Without a noise, and without my pride
I reach out from the inside, ooh ooh whoah

In your eyes, the light, the heat
I am complete
I see the doorway to a thousand churches
the resolution through all my the fruitless searches
Oh I see the light I see the heat
Oh, I want to be that complete
I want to touch the light, the heat, I see in your eyes

Love,
I don't like to see so much pain
So much wasted, and these moments keep slipping
away
I get so tired of working so hard for my survival
I look to the time with you to keep me awake and alive

And all my instincts, they return
And this grand facade, so soon will burn
Without a noise, and without my pride
I reach out from the inside, ooh ooh whoah

In your eyes, the light, the heat
I am complete
I see the doorway to a thousand churches
the resolution of all my fruitless searches
Oh, I see the light I see the heat
Oh, I want to be that complete
I want to touch the light, the heat I see in your eyes
