Oh oh  
Yeah yeah, yeah  
Oh oh  
Yeah

I've been broken, shut down and useless  
Feet above me, hands in the air  
You got me falling over and over  
You got me twisted, tied up and tangled

I do it all for you  
You know I've been a fool for you  
Thought I tripped on a shoelace  
I look down and it's only you

And now I'm standing at a terminal  
Waiting to connect to another plane  
And if I told you I just canceled my flight to America  
Would you call me insane?

Everything I am has been neatly contained  
Into the contents of a Samsonite bag  
Me, a laptop, two suitcases and I'm coming to see you  
Whether you like it or not  
Whether you like it or not

I've been put down, picked up and put off  
I've been held up, pushed and shoved around  
You got me falling over and over  
I've been drifting this side and upside down

I do it all for you  
You know I'd be a fool for you  
I keep thinking I lost something  
I look down and it's only you

And now I'm standing at a terminal  
Waiting to connect to another plane  
And if I told you I just canceled my flight to America  
Would you call me insane?

Everything I am has been neatly contained

Into the contents of a Samsonite bag  
Me, a laptop, two suitcases and I'm coming to see you  
Whether you like it or not

How many forms can indecision take?  
And when does the warning light appear before a man  
breaks?  
Mine is a restless heart, don't try to fix it  
You know sometimes, sometimes I want it to ache

Oh, no  
Oh, no no no no

Everything I am has been neatly contained  
Into the contents of a Samsonite bag  
Me, a laptop, two suitcases and I'm coming to see you

And now I'm standing at a terminal  
Waiting to connect to another plane  
And if I told you I just canceled my flight to America  
Would you call me insane?

Everything I am has been neatly contained  
Into the contents of a Samsonite bag  
Me, a laptop, two suitcases and I'm coming to see you  
Whether you like it or not

I'm coming to see you  
Whether you're ready or not  
I'm coming to feel you, babe  
Whether you like it or not

Get ready 'cause I'm coming to see you  
Whether you like it or not  
Coming to see you  
Whether you like it or not  
Oh, whether you like it or not

I know, I know, I know, I know you're gone  
I can see you, babe  
It's too late, baby  
I know, I know, I know you're gone  
It's too late, babe  
Ooh, I know you're gone

I know, I know, I know, I know you're gone  
It's too late, baby  
I know, I know, I know you're gone  
It's too late, baby  
Don't go
