I know I can be a little stubborn sometimes
I must say, a little righteous and too proud
I just want to find a way to compromise
'Cause I believe that we can work things out

I thought I had all the answers
Never giving in
But baby I was wrong
I admit that I was wrong

All I know is I'm lost without you
I'm not gonna lie
How am I gonna be strong without you
I need you by my side

And if we ever said we'll never be together
and we ended it with goodbye
I don't know what I'd do
You know I've been lost without you

I keep trying to find my way
but all I know is
Im lost without you
I keep trying to face the day
I'm lost without you

How am I ever gonna get rid of these blues?
Baby i'm so lonely all the time
Everywhere I go I get so confused
You know that you're the only thing that's on my mind

Oh my bed's so cold at night
I miss you more each day
Only you can make it right
No I'm not too proud to say
All I know is I'm lost without you
I'm not gonna lie
How am I gonna be strong without you
I need you by my side

If we ever said we'll never be together
and we ended with goodbye

I don't know what I'd do
You know I've been lost without you

I keep trying to find my way
And all I know is
I'm lost without you
I keep trying to face the day
I'm lost without you

If I could only hold you now
Make the pain just go away
Can't stop the tears from running down my face

Oh
All I know is I'm lost without you
I'm not gonna lie
How am I gonna be strong without you
I need you by my side

If we ever said we'll never be together
and we ended with goodbye
I don't know what I'd do
You know I've been lost without you
