Cyndi lauper

Jackson

simon le Bon

I put Eurythmics on poppin' and lockin' in The u.s.a

day glo sweater tied around my neck

studded denim

big hair

acid wash

Rubik's cube

my boom box

You know it's alright

I promise you tonight

all you gotta do is choose life

got A little crush

I just can't get enough of that stuff

it's such a rush 1980 me

Got a little crush

I just can't get enough of that stuff

it's such a rush 1980 Me

Frosted lipstick

parachute pants

Doc Martins

Dead can dance

Culture club

the Go Go's

Pretty in pink

Pacman

Asteroids

Miami Vice

too early for Vanilla Ice

Crimpin' the poodle perm and blond highlights

You know it's alright
I promise you tonight
all you gotta say is have a nice day

Got a little crush
I just can't get enough of that stuff
it's such a rush 1980 Me
got a little crush
I just can't get enough of that stuff
it's such a rush 1980 me

dance baby
you know you're gonna have such a good time
welcome to 1980 Me
dance baby you know it's gonna be alright
welcome to 1980 me

I wish that I could be eleven again
that E.T. was my friend
you know that life Was so simple then
times have changed never be the same
the memory remains and
The melody inside my heart

You know it's alright
no matter how it goes
all you gotta do is just say no

Got a little crush
I just can't get enough of that stuff
it's such a rush 1980 Me
got a little crush
I just can't get enough of that stuff
it's such a rush 1980 me

dance baby
you know you're gonna have such a good time
welcome to 1980 Me
dance baby
you know it's gonna be alright
welcome to 1980 me
