I've been watching you, from a far and the way you  
make your way around the bar. You laugh like your  
really entertained and  
you smile like its your favorite game. Now your moving  
closer to me and our eyes are connected emotionally.  
I'm not looking  
for a one night stand, Or a place for a broken heart to  
mend, I know everybody hear wants to hold ya. I know  
what it's like  
cause i feel the same. When you look in my eyes  
there's a part of me that's still afraid.

[Chorus:]

And when you say you love me do you mean it, baby  
when you hold me do you feel it? Should I believe in  
magic in your eyes,  
I would wait until the end of time to hear you say you  
love me like you mean it, baby when you hold me make  
me feel it. All  
i wanna do is make you mine I've been hurt way too  
many times.

They say if you wanna make god laugh, then all you  
gotta do is tell him your plans. I know that the timing's  
not right,  
Didn't know that I would meet you tonight. Its not that i  
don't really like the attention, I feel like the only man in  
the  
room. Are you really sincere, is this just something that  
you do?

[Chorus]

Again and Again and again I've been hurt my friend till  
the end..., You know I've been high i've been low I got  
no plaace else  
left to go, again and again and again when will this  
search ever end?

[Chorus]
