Soak you with my caress
Relax baby lay your head down on my chest
I'm not a doctor but,
I'll cure all your troubles

Chorus:
(Even when you sleep)
You'll know that I am there
(To hug and keep you warm)
And sooth you while you're dreaming
(A twinkle in your mind)

Shimmering thoughts of joy, Sweet dreams my love,
until you awake again

Anything to please my man
I like to do the best I can do
My all I'll give to you
Cause you are my love, and you are my life
What my dreams are made of
So dream of this love I'm given to you
Forget all your troubles... oh oh oh oh

Chorus:
(Even when you sleep)
You'll know that I am there
(To hug and keep you warm)
And sooth you while you're dreaming
(A twinkle in your mind)

Sweet dreams my love will always be yours, when you
sleep

Chorus:
(Even when you sleep) oh
Baby I will be there
(To hug and keep you warm)
And sooth you while you're dreaming
(A twinkle in your mind) twinkle, your mind

Sweet dreams my love will always be yours, when you
sleep

Mary Davis: "I dream of love this pure, all for you"
