You have been single for a long time  
And I don't wanna cramp your style  
Still you insist you want to settle down  
But I know better, you can't change years over night  
And asking that, I would never do  
So here's the solution that comes to mind

As long as I can be your number one  
You still can have your fun  
Whenever you need love  
I will give it to you, just the way you like it  
You keep your other girls  
Until you settle down  
Whenever you get bored  
I will give it to you, just the way you like it

Just the way you like it, woooo ooooooh  
Just the way you like it, woooo ooooooh

If you plan on loving me for a lifetime  
It doesn't matter what you do  
With other girls, they just can't change your mind, (oh  
no)  
'Cause when you're tired of them,  
You'll come back to me  
I won't tie you down  
You can play around  
'Cause you know where the best love is found, (right  
here)

As long as I can be your number one  
You still can have your fun  
Whenever you need love  
I will give it to you, just the way you like it  
You keep your other girls  
Until you settle down  
Whenever you get bored  
I will give it to you just the way you like it, (as long as I)

Just the way you like it, woooo ooooooh  
Just the way you like it, woooo ooooooh
