We see it differently

it's what I love about you and me

If we disagree

It's alright, alright (x2)

Here's my point of view

We see life so differently

Nobody sees it quite the same

We try to live as one

But sometimes we stand alone

We speak our minds and that's okay

It's true, it's the little things

Where we go 'round and 'round

So what if we do

We'll always be together

WE SEE IT DIFFERENTLY

AND IT'S ALRIGHT

IF WE DISAGREE

WE'VE GOT OUR OWN PERSONALITY

DAY AND NIGHT

A HUNDRED AND EIGHTY DEGREES

WE SEE IT DIFFERENTLY

IT'S WHAT I LOVE ABOUT YOU AND ME

IF WE DISAGREE

IT'S ALRIGHT, ALRIGHT

Ain't nothing new

Guess we'll have to work it out

Wanna see it through your eyes

So take step back

Why get stuck on where we are?

I'm gonna keep an open mind

I know, it's the little things

That get us down

We'll turn it around, it's alright

We'll work it out together
