My baby

The way he treats me

If you knew

You'd want him too

My baby

There's no-one else who

Comes close to

My baby

The way he smiles

The way he looks at me

I feel as if my heart

Is running free

Free

My baby loves me

He loves me

Yeah I know, I know

'Cause he tells me so

He says he loves me

He loves me

Yeah that's why, that's why

There's no-one else like my baby

The way he holds me

If you knew

You'd want him too

My baby

Says I'm the only one he needs

My baby

He pulls me close and whispers

In my ear, yeah

He says that in my arms

The world just disappears

My baby loves me

He loves me

Yeah I know, I know

'Cause he tells me so

He says he loves me

He loves me

Yeah that's why, that's why

There's no-one else like my baby

He's cute and he's shy

Oh yeah, he's strong and he's kind

You can see in his eyes

That he's sweet and he's mine

Oh, mine

(tells me so)

(no-one else)

I'm talkin' about my baby

Talkin' about my baby, baby

Ooh

That's right

I'm talkin' about my baby

Talkin' about my baby, baby
