It's black magic, bad magic (Repeated)
It's black magic

Don't stop
Don't stop
It's black magic, bad magic
X2

To get in my existence
Come closer, fear no distance
There's one thing I need
Your promise to proceed
Sell me your soul and I'll bring you power
Sell me your soul and darkness will rule
It's black magic, bad magic
It's black magic, bad magic

It's black magic, bad magic

It's black magic, bad magic
