I will come running  
I will come running

I will come running  
Running every night  
You say you want me  
I will make it right

I will come running  
All you ever need  
Our love is dawning  
Look outside  
I'll be there tonight

Our love is dawning  
Look outside  
I'll be there tonight

I'll be there tonight

I will come running  
Running every night  
You say you want me  
I will make it right

I will come running  
All you ever need  
Our love is dawning  
Look outside  
I'll be there tonight

Our love is dawning  
Look outside  
I'll be there tonight

I'll be there tonight

I will come running  
I will come running

I will come running  
Running every night

You say you want me  
I will make it right

I will come running  
All you ever need  
Our love is dawning  
Look outside  
I'll be there tonight

Our love is dawning  
Look outside  
I'll be there tonight

I'll be there tonight

I will come running  
Running every night  
You say you want me  
I will make it right

I will come running  
All you ever need  
Our love is dawning  
Look outside  
I'll be there tonight
