Lalala la la (Repeated)

Everything will be perfect
Tonight and forever
The light shine off, the light shine on
Making our faces many colors
Everyone is moving
Like waves make an ocean on and on
Everybody's singing, yes
This is happiness happening

Lalala la la (Repeated)

Everything will be perfect
Everything will be perfect
Everything will be perfect
Tonight and forever

Everything will be perfect
Tonight and forever
The light shine off, the light shine on
Making our faces many colors
Everyone is moving
Like waves make an ocean on and on
Everybody's singing, yes
This is happiness happening

Everything will be perfect
Everything will be perfect
Everything will be perfect
Tonight..

Everything will be perfect
Tonight and forever
The light shine off, the light shine on
