X2

Is anything I do
Ever good enough for you?
I'm getting sick of it
From hearing all your shit
I think I worked it out
Just why you scream and shout
Turn on your stereo
It's time to let it go

You're jealous of me
You're jealous of me
You're jealous of me
You're jealous of me

Is anything I do
Ever good enough for you?
I'm getting sick of it
From hearing all your shit
I think I worked it out
Just why you scream and shout
Turn on your stereo
It's time to let it go

It's time to let it go
It's time to let it go

You're jealous of me
You're jealous of me
You're jealous of me
You're jealous of me
