People say I'm a crazy son of a gun
'Cause I've made me a couple million never saved a
one
I don't ever buy green bananas
Don't believe I'll ever leave Savannah
I don't worry about tomorrow until it comes

CHORUS

I'm just living in the here and now
High on life getting by somehow
Laughing and talking and drinking it up
I ain 't got enough time for thinkin' too much
Today's another beautiful day
I got the wind in my hair the sun on my face
Tomorrow can't bring me down
Cause I'm living in the here and now

My pickup runs like a top and it's ten years old
My boots fit just like a glove and my beer is cold
My friends all love me just the way that I am
They're cool with the fact that I don't give a damn
Next week, next month, next year, hell who knows

CHORUS

I'm just living in the here and now
High on life getting by somehow
Laughing and talking and drinking it up
I ain 't got enough time for thinkin' too much
Today's another beautiful day
I got the wind in my hair the sun on my face
Tomorrow can't bring me down
Cause I'm living in the here and now

Today's another beautiful day
I got the wind in my hair the sun on my face
Tomorrow can't bring me down
Cause I'm living in the here and now
